R.No. 26590-1-Mal. Dated 14th May 1948.

Sir,

Sub:- Malaria- Thungabadra Project- Antimalarial measures- continuance of the scheme- sanction requested.

In G.O. No. 1989 P.H., dated 7-6-47, the Government have sanctioned the continuance of the antimalarial scheme for Thungabadra Project and the staff connected therewith for a further period of one year from 12-6-47. The present sanction for the scheme and the staff will expire on 11-6-47.

2. The Thungabadra Project Antimalaria scheme was sanctioned to carry out effective antimalarial operations in the Thungabadra Project, Dam site and in other departmental and labour camps of the Thungabadra Project and also in the endemic villages and Hospet Municipality which are affected by the Thungabadra Project. Along with antimalarial operations, conservancy and general sanitation have also to be looked after in the Headworks camp and other canals camps. The scheme has to be continued till the completion of the Project when the position may be reviewed.

3. In view of the rapid growth of population and the increase in the number of work spots in the various areas of the Thungabadra Project, the appointment of some additional entomological and malaria control staff is necessary. Necessary proposals in this respect will be sent at a later date after a personal inspection of the scheme area by the Assistant Director of Public Health (Malaria).

4. Meantime, I request that Government will be pleased to sanction the continuance of the above scheme with the existing staff for a further period of two years from 12-6-48.
